Who is containers Africa?

Welcome to CONTAINERS AFRICA Containers Africa specializes in the sale, leasing, and re-positioning of new and used shipping containers in most major ports of Africa. We specialize in selling; 20ft, 40ft, 40ft High Cube, reefer containers, open tops, conversions, designs & fabrications. More info.

What is a 10 ft container?

This container type is designed to cater for the storage of different goods in the same container by having doors at both ends. A 10ft container is perfect the size because it's a versatile, sturdy, and cost-effective solution for a small office set up. Perfect for onsite security access or small home offices.

What are the different types of cargo containers?

Dry containers (DC) are the most used type of container in the world: 90% of goods shipped by sea are loaded in dry containers. The 20-foot and 40-foot cargo containers are made of steel and are suitable for all types of cargo. Refrigerated containers are used to transport goods requiring temperature-controlled conditions in transit.

What is a refrigerated container?

Refrigerated containers are used to transport goods requiring temperature-controlled conditions in transit. You will find collapsible containers and non-collapsible containers with or without walls. Open top containers have an open top covered by a tarpaulin instead of a solid roof.
