

Middle East outdoor inverter customization

Overview

Who is xindun solar power inverter manufacturer?

Xindun is a hybrid solar power inverter manufacturer in China. We only supply good quality solar inverter power inverter hybrid inverter and hybrid solar inverter. We accept inverter OEM/ODM order and package.

Why did xindun bring solar inverters to Solarex Istanbul 2025?

Xindun brought various types of solar inverters to SOLAREX ISTANBUL 2025 held in Turkey from April 10 to 12, 2025, to showcase the latest solar power systems and solar solutions to the world and help expand the Turkish solar market.

Why did xindun power participate in Middle East energy Dubai 2025?

Xindun Power successfully participated in Middle East Energy Dubai 2025, and brought hybrid solar inverters, transformer based inverter, MPPT controllers and all in one solar generator to the Dubai solar exhibition, attracting much attention from distributors and project contractors, and continuously expanding the Middle East solar market.

How long does it take to get an inverter?

1. Own factory, inverter spot wholesale can be reached domestically within 5 to 7 days , and can be reached abroad within 10 days. 2. Inverter custom 7 days proofing, 20 days shipping. 1. 10,000 square meters factory area, 10 subdivided production lines. Meet the requirements of inverter shape design, special power and voltage customization. 2.
