

MODERNIZATION SOLAR

Multifunctional energy storage power supply dealer

Overview

Who is Shanghai elecnova energy storage company?

Company Overview of China Manufacturer - SHANGHAI ELECNOVA ENERGY STORAGE TECHNOLOGY CO., LTD. Shanghai Elecnova Energy Storage Co., Ltd. is a technology-based enterprise who focus on overall solutions for energy storage systems. Our company have the overall supporting capability for the system integration of PACK, PCS, BMS and EMS.

What is a residential energy storage system?

Our residential energy storage systems allow homeowners to store the energy produced by their solar panels during the day and use it at night or during periods of low sunlight. With our energy storage systems, residents can reduce their dependence on the grid and enjoy greater energy independence.

What types of energy storage solutions do you offer?

We offer commercial and industrial energy storage system solutions. Our air-cooling and liquid-cooling ess cabinets are safe, all-in-one solutions that are easy to maintain. Designed to meet a variety of energy storage needs, click to learn more about how our energy storage solutions can benefit your business.

What is uninterruptible power supply (UPS)?

Uninterruptible power supply (UPS) is the last line of defense to ensure the safe and stable operation of the key equipment of the communication base station. There are many stringent requirements on the security and reliability of BMS, and dauntu energy storage has made full preparations.
