

New solar system models in Pretoria

Overview

Where can I get solar panels in Pretoria?

Solar Guru offers solar panels, solar inverters and solar batteries for all your solar installation requirements in Pretoria. Solar Guru offers solar panel products to all provinces across Pretoria, Gauteng. By using solar panels in Pretoria, you are generating electricity in a dependent manner from using Eskom.

Why should you use solar panels in Pretoria?

By using solar panels in Pretoria, you are generating electricity in a dependent manner from using Eskom. Therefore, you save on electricity bills and also, you have electricity generated by the solar panels, to keep your power on during times of load-shedding or power outages in the Pretoria area.

Which solar panels produce the most energy in Pretoria?

Monocrystalline solar panels usually produce the highest efficiencies to generate solar energy in Pretoria. Also, monocrystalline PV panels have the highest power capacities in Pretoria. Most efficiencies of monocrystalline PV panels reach more than 20% while polycrystalline solar panels reach 15% to 17% in the area of Pretoria.

How does a solar inverter work in Pretoria?

Solar panels in Pretoria generate DC power which is stored in a solar battery bank. The off-grid solar inverter converts the DC power stored in the battery bank to AC current to use in your home in Pretoria. A off-grid solar inverter can also be connected to a generator as a backup power if the solar panels doesn't produce enough power in Pretoria.
