# Philippines Off-Grid Solar Container 100ft

## Overview

---

What kind of solar energy system is used in a container home?

Powered by 6KW Hybrid-Off-grid Solar Energy System. Note : The design can be customized to your ideal requirements. Ships 2025-04. 1 x 20 Footer, 27 sqm Solar Container Home. WPC Open Porch, Bed, Sofa, Mini Coffee Table and Bathroom, lightings and air-condition. Powered by 3K Solar Energy System.

Who is go gridless Philippines?

GO GRIDLESS Philippines Corp. is a Manila-based solar and energy solutions provider catering to residential and commercial projects. We have speciality across grid-connected solutions, hybrid solutions with batteries, and also off-grid solutions for locations that experience poorly served electricity services.

Why should you choose solar power in the Philippines?

Our mission is to make renewable energy accessible and affordable all over the Philippines and to help reducing CO2 emissions for a cleaner and greener world. Solar Power can help you to reduce your electricity bill, increase your property value as well as reducing your carbon footprint.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

## Philippines Off-Grid Solar Container 100ft

### Solar Trailers and Containers
