

# **Port Moresby solar Power Station Generator Manufacturing**

## Overview

---

Where is Port Moresby power station located?

The Port Moresby Power Station is located in the Hiri West of Central Province, Papua New Guinea. The PNG Government's Electricity Industry Policy (EIP) of 2011 seeks to bring more private sector investment into the energy industry. In 2018 an Industry Group for Independent Power Producers in Papua New Guinea was established called 'IP3'.

Can PNG Power install a solar PV system in Port Moresby?

PNG Power has installed a 150kW rooftop solar PV system at the Mineral Resources Authority (MRA) office in Mining Haus, Konedobu, Port Moresby. This installation was done through PNG Power's two-megawatt rooftop solar PV pilot programme in the Port Moresby grid.

Will niupower Port Moresby power station save png?

" NiuPower is pleased and proud to have developed PNG's first ever dedicated grid-connected gas fired power station. Our customer, PNG Power Limited, are on record as saying that the NiuPower Port Moresby Power Station coming online will save them, and thus the nation, up to K100 million annually.

Why is electricity so important in remote areas of PNG?

Having a reliable electricity supply is essential for modern life and development. In remote areas of PNG this can be a challenge and it isn't always easy in town either. Lohberger engineering had its genesis in energy supply. We have been supplying electrical generation equipment since the company began in Port Moresby five decades ago.
