

Swedish RV solar system manufacturer

Overview

What is RV Solar Store?

RV Solar Store is RV Solar Connection, llc's installation team's site. Unlike most sites that only sell parts, we are solar installers installing solar electric (photovoltaic) systems on recreational vehicles. Most of the components that we offer on our site are the same products that we use in our installations.

What is the solar market like in Sweden?

The market leans towards specialization, where companies such as SVEA Renewable Solar AB and Exeger Sweden AB focus on specific niches in solar technology. Despite the presence of larger conglomerates like Vattenfall AB, the market is fairly fragmented with numerous smaller companies contributing to its dynamics.

Where are Midsummer's solar panels made?

Midsummer's solar panels are manufactured in our own production facility in Järfälla.
