

# **The role of emergency communication mobile base stations**

## The role of emergency communication mobile base stations

---

### Smart Unmanned Aerial Vehicles as base stations placement to improve

Jan 1, 2022 · Abstract Future mobile communication networks need Unmanned Aerial Vehicles as Base Stations (UAVasBSs) with the fast-moving and long-term hovering capabilities to ...

### [Movable Base Stations in Mobile Networks for ...](#)

Nov 8, 2025 · Abstract--An emergency communication system is necessary for first responders, who need to enter areas with no network coverage or damaged network infrastructure due to ...

### Movable Base Stations in Mobile Networks for Emergency Communications

Sep 8, 2023 · An emergency communication system is necessary for first responders, who need to enter areas with no network coverage or damaged network infrastructure due to natural or ...

### [Efficient Mobile Base Station Placement for First Responders ...](#)

Feb 2, 2019 · We consider the problem of mobile base station placement to meet the critical communication requirements of first responders

in an ad hoc public safety network. By ...

### [Transportable base station for emergency communications](#)

Mar 21, 2025 · Access to reliable communications services is a key factor in any emergency situation. ASTRI has succeeded in producing a mobile base station that allows for cost ...

### [An Independent UAV-Based Mobile Base Station](#)

Feb 22, 2025 · In disaster scenarios, e.g., earthquakes, tsunamis, and wildfires, communication infrastructure often becomes severely damaged. To rapidly restore damaged communication ...

### **Energy efficient deployment of aerial base stations for mobile ...**

Apr 15, 2024 · Recently, the concept of base stations on low altitude platforms (LAPs) attracted researchers' attention for emergency communication and the digital divide in under-developed ...

## Autonomous Relocation of Mobile Base Stations in ...

At the same time, unusual peaks in traffic load could lead to much higher blocking probability for critical communication. A possible solution for such scenarios is through the use of mobile ...

## An Independent UAV-Based Mobile Base Station

Moreover, these results confirm that the UAV-based mobile base station prototype can serve as a viable alternative to the existing mobile base stations lost, and it provides sufficient data ...

## **Vehicle mounted base station: a mobile fortress for emergency communication**

Dec 6, 2024 · Vehicle mounted base stations, as a type of mobile base station, can be classified into multiple types based on their coverage and functionality. Compared with macro base ...

## An Independent UAV-Based Mobile Base Station

Feb 22, 2025 · In disaster scenarios, e.g., earthquakes, tsunamis, and wildfires, communication infrastructure often becomes severely damaged. ...
