

# Wholesale 5kwh battery backup in London

## Overview

---

Do you offer a 5kwh battery pack & spare parts?

We offer the Huawei 5kwh home battery pack and spare parts, providing storage to new or existing Huawei battery system. If you require a new 5kwh, 10kwh, or 15kwh Huawei battery storage system, then this must be with the Huawei BMU to control battery import and export levels.

How long does it take to ship a Huawei 5kwh battery?

We endeavour to ship all products within 48 hours of order time and on a next day delivery service where possible. We offer the Huawei 5kwh home battery pack and spare parts, providing storage to new or existing Huawei battery system.

What is a Luna battery storage system?

Huawei have brought their 30 years of expertise in digital information technology to the world of battery storage! Their modular LUNA system combines an all-in-one look with a modular system build from 5kWh units. Huawei's systems are compatible with their optimisers, carry a 10-year warranty, as well as 100% depth of discharge.
